
THE CLOWN AND THE ICE CASTLE — Film

A dark fantasy feature film

Format: Feature Film (100-120 min) — Live-Action or High-End Animation

Target: Young Adult / Adult fantasy audiences (PG-13)

PITCH

A psychological dark fantasy in the tradition of Pan's Labyrinth and The Fall. The Ice Castle itself is a character — a labyrinthine palace that shifts its halls and remembers everything.

VISUAL STYLE: Gothic fantasy architecture meets crystalline ice palaces.

STRUCTURE

- (1) Discovery & Entry — Thalìa finds the hidden path, enters the castle
- (2) Descent into Memory — each room reveals a layer of forgotten truth
- (3) The Truth & The Choice — the clown's real purpose, the price of knowledge

Comparable: Pan's Labyrinth, The Fall, The Shape of Water (emotionally).

Available: Film adaptation rights worldwide.
