
THE CLOWN AND THE ICE CASTLE — Limited Series

A dark fantasy series for streaming platforms

Format: Limited Series, 6-8 episodes × 45-50 min

Target: Adult fantasy / mystery audiences (TV-MA / 16+)

Platform: Netflix, HBO, Apple TV+, Amazon Prime

PITCH

Each episode explores one room or level of the Ice Castle, uncovering a layer of memory and mystery. The series format allows deeper character work and more complex narrative layering than a feature film.

EPISODE STRUCTURE

Ep 1-2: Discovery — Thalia finds the path, enters the castle

Ep 3-5: Descent — each floor reveals a different kingdom memory

Ep 6: The Clown's Confession — the trickster's true nature revealed

Ep 7-8: The Throne Room and the Final Choice

Comparable: The OA meets The Haunting of Hill House meets Dark.

Available: Series adaptation rights worldwide.
