
SIGILLUM MAXIMUM — Anime Series

Epic fantasy anime for global audiences

Format: TV Anime Series, 12-24 episodes × 24 minutes

Genre: Epic Fantasy / Coming-of-Age / Adventure

Target: Teens and young adults (13+), global anime market

PITCH

A princess escapes through a hidden tunnel as her castle falls. She emerges into a world with seven realms, seven secrets, and one ancient seal that could save or doom everything. Sigillum Maximum is designed from the ground up as an anime property with the visual ambition of the best Studio Ghibli and the narrative scope of Attack on Titan or Fullmetal Alchemist.

STRUCTURE

- Arc 1 (Ep 1-6): Nuvolandia — establishing the world, the fall of the kingdom
- Arc 2 (Ep 7-12): The Elf Realm and Gnome Kingdom — first two secrets
- Arc 3 (Ep 13-18): Merfolk and Dwarf Realms — deepening the mystery
- Arc 4 (Ep 19-24): Storm Realm, the Great Light, and the Final Secret

VISUAL IDENTITY: Seven realms = seven distinct art styles and color palettes. From the cloud-cities of Nuvolandia to the crystalline depths of the Merfolk realm.

Comparable: The Ancient Magus' Bride meets Made in Abyss meets Frieren.

Available: Worldwide anime / broadcast rights.
