
SIGILLUM MAXIMUM — Manga / Comic

Graphic novel adaptation for the manga market

Format: Manga / Graphic Novel Series

Volumes: Planned 7-10 volumes (1 per realm + bonus)

Target: Teens and young adults, manga collectors

PITCH

The Sigillum Maximum story adapts naturally to manga format. Each volume covers one realm and one secret.

VOLUME PLAN

Vol 1: Nuvoalandia — the fall, the escape, meeting Aeltiàfisar

Vol 2: Elf Realm — the first secret, Grogher joins

Vol 3: Gnome Kingdom — clockwork puzzles, Sidae appears

Vol 4: Merfolk Depths — underwater realm, Majory's introduction

Vol 5: Dwarf Mountains — the forge fathers, the cost of creation

Vol 6: Storm Plains — Raertha, the Sky Kingdom

Vol 7: Realm of the Great Light — the final secret, the choice

Vol 8+: Side stories (Dorcha's origin, Aileen's childhood, kingdom lore)

ART STYLE: Shojo/seinen hybrid — detailed backgrounds, expressive character art. Full color for first and last volumes; monochrome with color splash pages for middle volumes.

Comparable: The Ancient Magus' Bride, Frieren, Nausicaä of the Valley of the Wind.

Available: Manga / comic publishing rights worldwide.
